

ROXBURY YOUTH ICE HOCKEY ASSOCIATION

LOCKER ROOM POLICY

- We encourage you to use the locker rooms provided at each practice and game.
- To avoid over crowding in the locker room, locker rooms are for players, parents (if necessary) and coaches.
- In the case where two locker rooms are available for practices, the lower numbered locker room is for the lower levels and the higher numbered locker room is for the upper levels. (Example: All player practice, locker room 1 should be mites/squirts, locker room 3 should be peewees/bantams.)
- If you are helping your player get ready before a game, please exit the locker room when you are finished to allow the coaches time to speak to the team.
- There is absolutely **NO** picture/video taking of any kind (cell phones included) in any locker room.
- Name calling, taunting, fighting etc. is **NOT** permitted in the locker room. Should this become an issue, we will ask for Safe Sport trained parents/volunteers to supervise the locker rooms. Any player caught name calling, taunting, fighting, etc. will be suspended at the discretion of the RYIHA Board of Directors.
- At no time should Roxbury players be in another team's locker room. If Roxbury players are caught in another team's locker room for any reason, disciplinary action will be taken as deemed necessary by the RYIHA Board of Directors.
